Q: What do you get when you combine PayPal and Walmart?

PayPal + **Walmart**

A: A whole new way to manage your money. Put cash in and get cash out at Walmart stores nationwide for just **\$3** each.¹

[Learn More](#)

Load and withdrawal limits apply.

Cash in. Cash out.

For only \$3 per transaction,¹ you can use the PayPal app to add **AND** withdraw cash from your PayPal account at more than 4,700 participating Walmart locations.

Add it.

1. Select "Add Cash" on the PayPal app,² and then select "Walmart" to generate your code.
2. Bring your code and cash to the register at participating Walmart locations or Walmart MoneyCenters.
3. And just like that, your money is sent directly to your PayPal account.

Withdraw it.

1. Select "Get Cash" on the PayPal app,² and enter the dollar amount to generate your code.
2. Show the code to the cashier at participating Walmart locations or Walmart MoneyCenters.
3. Get your cash on the spot, while you're on the go.
